THE SWAMP THINGS

The Swamp Things are a brilliant street-busking band playing a mix of down home blues ranging from Delta to hillbilly rock and on through to '50's Chicago style blues. To quote Bob Pearce 'I've yet to see a better band playing this style of down home music - anywhere!'

THE DANCE CREATURES WITH JC & ANGELINA

JC & Angelina knocked out the audience at the IOW weekend in 2000, with Angelina's fabulous vocals and JC's magical guitar playing. So this year they're back to play with their band, as well as an acoustic blues set. Unmissable!
